

DIOCESAN 'FRIENDS OF THE CATHEDRAL'

Since it was formed in 2002, *'Friends of the Cathedral'* has been a Diocesan Fund-raising Organization which is dedicated to the artistic beautification of our Cathedral Church.

This group of voluntary benefactors includes parishioners and individuals from the Diocese who annually contribute their 'membership' donations solely for this purpose. The group has enabled us to transform areas in our Cathedral into inspiring spaces for liturgical worship, devotion and prayer.

The annual membership donation of \$250. is tax deductible.

I wish to contribute to the beautification of our Cathedral with my free will donation of \$250.
